

UK Outstanding Security Performance Awards

Sponsorship Brochure 2021

The world's global awards for security

The Outstanding Security Performance Awards (OSPAs) recognise and reward companies, people and products that have made a significant contribution to the security sector. The OSPAs are designed to be both independent and inclusive, providing an opportunity for outstanding performers, whether buyers or suppliers, to be recognised and their success to be celebrated.

The awards scheme began in 2015 and is now currently running in twelve countries.

What makes the OSPAs unique?

- ▶ The OSPA are transforming the security world; they are the first and only '**global**' awards scheme in the security industry for recognising outstanding performance.
- ▶ The principles of the OSPAs are that they are **independent, credible, respectable** and **transparent**.
- ▶ The OSPAs bring together all the leading security associations and groups in countries to acknowledge and celebrate the many success stories that often operate under the radar.
- ▶ One of the standout features of the OSPAs is that the categories and criteria for the awards have been created following an extensive research project; every country is judged using the same criteria.

The 2021 Awards Event

The UK (OSPAs) has been running for 4-years; each year has seen a growth in the number of companies and individuals who enter and attend the event.

Last year saw 500 security professionals from public, private and third sector organisations gathered to network and celebrate the amazing contribution that companies and people are making across the UK security sector.

Building on the success of previous years, the UK OSPAs will return in the first quarter of 2021.

Due to the uncertainty of the Coronavirus situation, the OSPAs will take place as an online virtual event.

Going 'virtual' means that many more people can join in the celebrations from around the world when we announce the winners of the awards live.

Sponsorship and promotional opportunities

For 2021, sponsorship packages have been adjusted; each sponsor will be given the opportunity to provide a short video promoting their company and aligning their brand with excellence and best practice.
